### Omschrijving

This 8-bedroom , 300-year-old finca with sea views is set in the peaceful Pinos area of Benissa, this unique estate enjoys a protected natural setting where new construction is not permitted, helping preserve the beauty and tranquillity of the surrounding landscape.

The property consists of two buildings: The main house offers approximately 250 m<sup>2</sup> over two floors, while a second building of around 150 m<sup>2</sup> provides excellent potential for renovation or conversion to suit your needs.

The estate sits on a very large plot of more than 120,000 m<sup>2</sup>, with traditional almond (almendro seco) and carob (algarrobo seco) trees and wild scrub, offering open views across the countryside and down the mountain to the sea and the Peñon d'Ifach. A traditional wood-fired oven adds to the character of the property and reflects the rural lifestyle of the area
